Federal Grant Assistance Newsletter

Thank you for signing up for my grants assistance newsletter. This monthly distribution contains news about grants in Nevada and a list of recent federal funding opportunities and ways to access more information about them. Creating the opportunity for more federal dollars to flow into the state of Nevada is deeply important to me.

Grants Spotlight

Opportunity Title: Community Connect Grant Program

Administering Department: Department of Agriculture

Grants.gov Opportunity Number: RDRUS-CC-2021

Closing Date: 12/23/2020

Description: The Community Connect Grant Program provides financial assistance to eligible applicants that will provide service at or above the Broadband Grant Speed to all premises in rural, economically-challenged communities where broadband service does not exist. The deployment of broadband services on a “community-oriented connectivity” basis stimulates economic development and provides enhanced educational and health care opportunities in rural areas.

U.S. SENATOR FOR NEVADA

Opportunity Title: Candidate Species Conservation Fund

Administering Department: Department of the Interior

Grants.gov Opportunity Number: F21AS00156

Closing Date: 9/30/2021

Description: The principle objective of this Candidate Species Conservation funding opportunity is to accomplish conservation tasks for high priority candidate species (based on our annual Candidate Species Assessments) or other at-risk species in the United States, such that identified threats to the species may be reduced or eliminated. These efforts are based on cooperative relationships with states, non-governmental organizations, private landowners and those interested in habitat restoration or undertaking candidate and at-risk species research, surveys and monitoring, or educational outreach efforts.

Opportunity Title: Women and Minorities in Science, Technology, Engineering, and Mathematics Fields Program (WAMS)

Administering Department: Department of Agriculture

Grants.gov Opportunity Number: USDA-NIFA-WAMS-007852

Closing Date: 1/21/2021

Description: The purpose of this program is to support research, education/teaching, and extension projects that increase participation by women and underrepresented minorities from rural areas in STEM. NIFA intends this program to address educational needs within broadly defined areas of food, agriculture, natural resources, and human (FANH) sciences. Applications recommended for funding must highlight and emphasize the

development of a competent and qualified workforce in the FAHN sciences. WAMS-funded projects improve the economic health and viability of rural communities by developing research and extension initiatives that focus on new and emerging employment opportunities in STEM occupations. Projects that contribute to the economic viability of rural communities are also encouraged.
